Job Description

شہر بنانا - شہر کے لیے جگہ بنانا | **Creating Places for People** Join a purpose-driven organization at the forefront of urban innovation and placemaking in Pakistan. We are looking for talented, passionate individuals to help drive our mission of building sustainable, people-centric cities. **میں شامل ہوں:** Sr. Architect | Jr. Architect | **میں:** **میں:** 5 to 8 years | **میں:** Lahore (On-site) We are seeking a seasoned and visionary Architect with a strong background in urban development, public sector projects, and cultural heritage conservation. The ideal candidate will have a passion for designing inclusive, people-centric spaces and a proven track record of leading architectural initiatives from concept to execution. **میں:** **میں:** Lead and oversee architectural projects across public spaces and heritage sites. **میں:** Design, plan, and supervise large-scale urban and cultural projects. **میں:** Collaborate with cross-functional teams, including planners, engineers, and government agencies. **میں:** Conduct heritage site assessments and propose conservation strategies. **میں:** Ensure projects align with local regulations and sustainability goals. **میں:** **میں:** Bachelor's or Master's in Architecture (PCATP registered preferred). **میں:** 5–8 years of professional experience, preferably in public sector and conservation projects. **میں:** Proficiency in AutoCAD, Revit, SketchUp, Adobe Creative Suite. **میں:** Excellent communication and stakeholder engagement skills. **میں:** Strong understanding of zoning laws, building codes, and heritage site protocols. | **میں:** **میں:** Fresh Graduate – 1 Year | **میں:** Lahore (On-site) We are looking for a young, dynamic, and creative Junior Architect eager to grow within an innovative urban planning environment. This is a great opportunity to work under expert mentorship on impactful city-shaping and heritage-oriented projects. **میں:** **میں:** Assist in the preparation of architectural drawings, presentations, and reports. **میں:** Support senior team members in site analysis, design development, and stakeholder meetings. **میں:** Conduct research on cultural, social, and environmental aspects of design. **میں:** Participate in community and planning workshops. **میں:** **میں:** Requirements: **میں:** Bachelor's degree in Architecture (PCATP registration is a plus). **میں:** Strong skills in AutoCAD, Revit, SketchUp, and Photoshop. **میں:** Passion for public design, heritage conservation, and sustainable architecture. **میں:** Strong communication and teamwork skills.
